Client Advisory

Shipco office closures in New Jersey and New York

Due to severe weather as a result of Hurricane Sandy, New Jersey and New York have declared a state of emergency. Our Shipco offices located in Hoboken, Elizabeth and JFK, including our warehouse facility, ICT NYC will be closed today, Monday, October 29, 2012. All managers can be reached by email and cell phone, although there may be power outages during the next 48 hours. Our phone lines have been diverted to Shipco Chicago. As forecasts and circumstances change, we will update you accordingly. We appreciate your support and patience during the closure. Should you have any questions or need assistance, please contact your local Shipco representative directly.
