

SACO the European NVOCC partner of SHIPCO, has celebrated their 25 years of existence, in this Industry, inviting all their Agents from around the Globe, as well as all their people from Hamburg, Bremen and Antwerp. The three days conference and celebration has reached its peak with a daily party in the newly made warehouses at the Port of Hamburg. Hundreds of employees, Customers and Agents were invited and spend some time during the day. An excellent party lasted till the late evening hours. We wish SACO many more successful events.

SACO provides full LCL services from all over the Globe, based on its worldwide Network, and the constant and frequent services from all main ports. Eurogroup is very happy to be part of this network and be able to offer our customers these services.
