

Eurogroup offers its Agents customers a service that was not easy to find before. We now accept in our LCL and consolidations not only to Cyprus, but also to Middle East, Far East, Oceania and the Americas groupage services, small LCL shipments of personal effects. Shipments can be either cased already, or Eurogroup offers crating of these shipments at a low cost for protection purposes. Please contact with our Seafreight Export Department to learn more about this service.
