

With the support of the Greek Forwarding and NVOCC Community in Greece and Internationally, Eurogroup continues its uprising course, steadily gaining each and every day, a larger share in the Greek Market. LCL services to Cyprus, Far East, the Gulf and the Americas, operate on schedule weekly. Our trucking services will soon grow with new agreements from Europe for both Import and Export. Co operations in the Logistics and Bonded W/H services, with our colleague consolidators and Agents prove to be economical and profitable for all parties involved, with safety, trust & confidence being the motto.
